

Merge BrainHQ and AHNP account

You will have to re-associate your account with AHNP, by first getting a new password. Please follow these steps:

APPLIES TO:

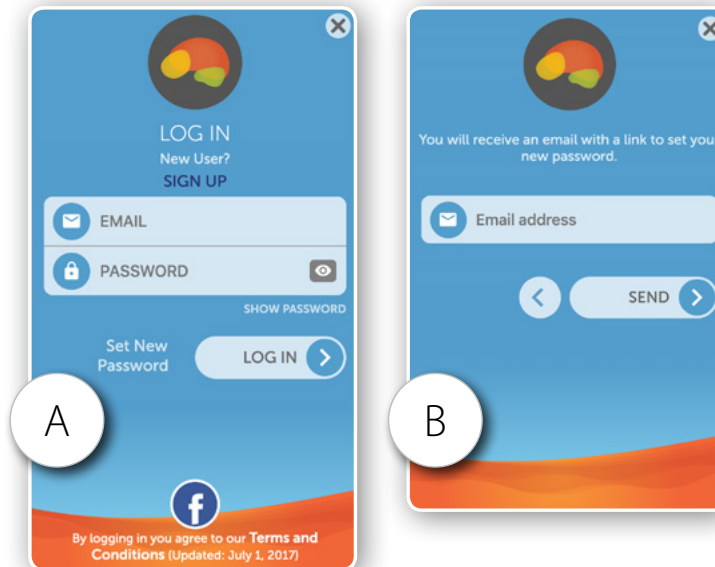

Users with an existing BrainHQ account who need to associate their account with AHNP and can't remember the BrainHQ password.

1. Go through the BrainHQ site and click the log in button on the top right corner. In the pop-up window, click "SET NEW PASSWORD." *See Screenshot A below.*
2. Choose a new password. On the next pop up screen, enter your email address. *See Screenshot B below.*
3. Once you have reset the password, go back to your ReCODE Account, and look for the the prompt under "LAUNCH BRAIN HQ." Click on "Already have a BrainHQ account?" *See Screenshot C below.*
4. You will see a field to enter the email address associated with your BrainHQ account. Click "LAUNCH BRAIN HQ."
5. You will be sent an email asking if you want to join the AHNP group. Click the link to start the process: Follow the link to enter the email address and password for the account, to associate your existing BrainHQ profile with your AHNP account and ReVERSE subscription.
